\*The Back to Basics format brings the 12-step program to life using a proven process utilized in the 1940's. Join others for a first-hand experience of one way to take each of the 12 Steps as described in the “Big Book.” Locate key passages, experience how they work together, gain new insights, and learn further how to “pass it on.”

*Scholarship donations are welcomed! All proceeds are pledged to carrying the message.*
