The Pittsburgh Primary Purpose Group is Proud to Sponsor A Two Day Event.

An AA History Presentation and Back to Basics Seminar

The AA History Presentation will focus on why AA experienced high recovery rates and will be followed by a question and answer session. The Seminar is an intensive, one-day workshop, where you will learn how to take all of AA's Twelve Steps in one day, just like the early AA pioneers! The "Back to Basics" program is modeled on the original Beginners Meeting format that produced a 50–75 % recovery rate from alcoholism in the 1940s.
