This “**Back to Basics**” *meeting format* is one based on actually working AA’s steps 1 to 9 in one **all-day Saturday** session, followed with a 2-hour meeting the next Saturday August 17, to finish the 9th step and work 10, 11 & 12. Please arrange to have a sharing partner/Sponsor/Sponsee for this trip through the Steps. This format is from “Beginners Meetings” as they were held in the early years of AA with good success in getting and staying sober through application of these 12 principals.

*****Note:** The continuity nature of this meeting, space restrictions and lunch arrangements require prior arrangements to attend both sessions.

MAKE THE COMMITMENT!
