Remembering Board Member Peggy Howell

A great community volunteer and friend to many in Brentwood passed away last week after a long battle with ALS. Peggy Howell was active on our Board for many years and always willing to help out with our promotional and fund raising efforts.

Perhaps the most "famous project" was when we did our "Where's Truman" park awareness campaign with her faithful dog "Truman". Each week we took a picture in one of Brentwood's parks and ran promotional campaigns in the Brentwood Homepage asking supporters which park it was in exchange for various prizes. She loved

Truman and thoroughly enjoyed going out to each of our beautiful parks for a photo shoot.

She was obviously also very active with the Police and Fire Departments and other civic organizations in Brentwood. She will be missed by all who knew her. The following Williamson Herald article link best conveys her impact on Brentwood:
